Domain Extension	Registration Cost per Year(USD) approximately
.info	\$ 8
.com	\$ 16
.net	\$ 16
.org	\$ 16
.co.in	\$ 16
.co	\$ 16
.ca	\$ 16

Server Hosting Space Booking Yearly

Space(MB)	Amount/Year(USD)
100	\$ 84
500	\$ 99
1000	\$ 114

Development Cost

Development Descriptions	Cost per Page (USD)
Home Page	\$ 227 (Special discount of \$ 50 included)
Static Pages	\$ 38
Dynamic Pages	\$ 53
Additional Integrations for Dynamic websites	Price depends on the Integration type

Note – Pricing is different for one page website. Contact for pricing.

Database Connectivity

Database	Cost per Year(USD)
My SQL	\$ 93
SQL Server	\$ 118

Rough Estimation of Total Cost **for Static Website Development** without Database

Particulars	Quantity	Amount(USD)
Domain Name (.com)	1	\$ 16
500MB of hosting Space (Yearly)	1	\$ 99
Home Page Develop (Special discount of \$ 50 included)	1	\$ 227
Static Page Development @ \$ 38	5	\$ 190
Maintenance for static website (yearly)	1	\$ 100
Total		\$ 632

Note: The above estimate is only a rough estimate for developing a Static website without a database. The actual amount may vary depending upon receipt of actual requirement from the client.

TERMS & CONDITIONS

-) The offer is valid for the next 30 days from the presentation of this proposal.
-) Payments should be made in the form of Paypal or Direct Bank Transfer in the following manner:
 1. 100% advance for domain name registration, server space booking and database
 2. Payment for development charges:
 - 50% advance before the start of the project
 - 30% after the conversion of the website design
 - 20% at the time of delivery
-) All the content including images should be provided by the client.
-) Cost of any third party items used in the website or development of the website must be paid by the client.
-) Console (India) Inc. will use only free images for the designing of the website. Any images that require payment of royalty for the use of the image must be borne by the client.
-) No changes in design will be entertained once the website has been converted. If the client wants any change in design after the website has been converted will require additional payment which will be determined after analysing the level of changes and the amount of work and time involved in such changes.
-) Any issue in the website functionality or change in content must be addressed within 30 days of the delivery of the site. Any issues in functionality or any change in the content addressed after 30 days of the delivery will attract additional cost depending upon the level of issue and the amount of work and time involved.
-) If the client requires regular updating and maintenance of the website, they may choose to assign such maintenance on monthly/yearly basis against a certain fixed amount of cost determined on the complex nature such maintenance or update.
